

## **Robert Cielnicky**

Robert 'Bob' Cielnicky has been in the pro-life movement for over 45 years, having started when his wife asked him to be a pro-life speaker with Crusade For Life in 1972. He published the California Pro Life Council Newsletter in the late 1970s and helped publish and distribute their Voter Information Digest in the 1980s. He has coordinated pro-life rallies at Sacramento, California and Tallahassee, Florida; Life Chains in Orange County; pro-life literature distribution to over 20 communities and numerous schools; and has supported the campaigns of various pro-life candidates. He has coordinated legislative district lobbying efforts against physician-assisted suicide for over two decades in southern California.

Bob is founder of Life Priority Network, which analyzes legislation concerning crucial life issues of abortion, infanticide, euthanasia, and cloning. He is past-president of the Scholl Institute of Bioethics and is currently their legislative analyst. He is chairman of the Life Amendment Coalition, which has the objective of passing a human life amendment to the U.S. Constitution.

Bob is a retired aerospace engineer with bachelor and master's degrees in aeronautical engineering, having worked over 30 years with the McDonnell Douglas Astronautics Company on programs from Saturn/Apollo to the Space Station, He is now a full time pro life activist. His wife Beverly is President of Crusade For Life; they have two grown children, John and Heather, and four grandchildren, all gifts of the Lord. He and Bev reside in Fountain Valley, CA. Bob may be reached at 714-964-1284 or [Info@LifePriority.net](mailto:Info@LifePriority.net)
